

FOR IMMEDIATE RELEASE

Interjet Airlines Reports Record Traffic Results for May

Overall passenger traffic for May 2018 increases 15.9% YOY. International traffic grows 40.2% YOY.

MEXICO CITY, June 18, 2018 Interjet Airlines announced today, May and year-to-date passenger traffic results.

Interjet Airlines total passenger traffic increased to 4,799,757 passengers for the period January 2018 through May 2018, representing a 15.9% increase over the same period in 2017. International passenger traffic increased 40.2% for the same period while domestic passenger traffic increased 9.3%.

“Interjet continues to deliver solid results, including record passenger traffic for May 2018,” said José Luis Garza, Chief Executive Officer.. ‘Our value proposition of offering business and leisure travelers everywhere we fly, our unique brand of lower prices with free checked bags on select fares, more legroom between seats and great service differentiates us from our peer competitors and is resonating with the market,” he added.
