

Interjet Airlines Announces Arrival of new Airbus A32neo with Weekend Fare Promotion

Airline offers discount fares up to 70% for travel to more than 51 destinations in the U.S., Canada and Mexico.

Interjet Airlines announced today it has received its next Airbus A321neo aircraft and to celebrate, the airline is offering discounted fares of up to 70% to more than 51 destinations it flies to in the U.S., Canada and Mexico. These discounted fares and travel packages will be available for purchase from November 16 to November 19, 2018 for travel up to May 31, 2018.

“This brings to 7, the number of new Airbus A321neo aircraft now in Interjet’s fleet,” said Julio Gamero, Interjet’s Chief Commercial Officer. “These new aircraft will allow us to continue to expand our international service flying to new countries and new markets. To celebrate, we are offering these special fares to say ‘thank you’ to our customers for their loyalty and continued support,” he added.

“We continue to experience strong demand for our service, especially internationally,” said Julio Gamero, Interjet’s Chief Commercial Officer of Interjet. “Our value proposition of offering business and leisure travelers everywhere we fly, our unique brand of competitive prices with free checked bags on select fares, more legroom between seats and great service differentiates us from our peer competitors continues to resonate with our customers,” he added.
