

We're expanding our service to South America and upgrading service Intra-Mexico

April 23, 2019 This is to announce we are expanding our service from Mexico to several South America destinations including Medellín, Colombia; Guayaquil, Ecuador; and Lima, Peru. These new flights will serve both the business and leisure traveler expanding Interjet's footprint into South America.

At the same time, we will be adding capacity in June to several Mexico destinations including El Bajío, Ciudad del Carmen, Campeche, Mazatlán, Palenque, Puerto Escondido, Torreon and Varadero. The aircraft servicing these markets will be upgraded to our Airbus A320 aircraft seating 150 passengers.

Following are the new routes and effective dates.

New routes	Effective Date
Mexico City – Medellín, Colombia	June 5, 2019
Cancun – Medellín, Colombia	June 6, 2019
Cancun – Lima, Peru	June 17, 2019
Mexico City – Guayaquil, Ecuador	June 21, 2019
Cancun – Guayaquil, Ecuador	

We will be discontinuing service on the following routes at the indicated effective date. Passengers holding confirmed reservations on any of these flights for travel after the service discontinued date should call any of the numbers listed below for more information.
